Sponsors are Appreciated and Valued

Good sponsors make a difference in the lives of newcomers to the 6th Area Support Group. The proof is in the smooth transition newcomers experience to their units and in the positive feedback they provide. Fourteen nominations were recently submitted for the Sponsor of the Quarter award program. Each of the outstanding nominees had a few things in common. They all made contact with the incoming family in advance of arrival to Stuttgart and made the newcomers temporary lodging arrangements. Additionally they arranged advance post office boxes, met them at the airport, provided tours and maps of the area and other information.

These were all important factors, however, it was the personal things that sponsors did or said that newcomers appreciated the most. Some of the items mentioned in the nominations included sponsors knew how to register children for school and arrange telephone and cable service. There were also positive comments made that sponsors stock the newcomers' room with a few essential items, introduced newcomers as their friends and most importantly, stayed in contact with the newcomers after the first day.

First-quarter winning sponsors will be recognized at the monthly 6th ASG Awards Ceremony Feb. 27, 3:30 p.m. in the Kelley Community Club. Second-quarter nominations should be submitted not later than April 17. For info contact Michele Molek, 430-4315/civ. 0711-680-4315, or e-mail (molekm@6asg.army.mil).
